

WATER

FROM: PEPSCO, INC.

PROBLEMS

- * The people do not have access to sanitary water.
- * People are dying of dehydration.
- * Lack of sanitary places to store the water.

REASONS

- ✧ Droughts lasting up to 5 years
- ✧ The rain is vastly spread out
 - ✧ rains a lot in one part of the continent and none in another part do they do not have access to it.

PLEASE

✧ Help us help them

*If for every bottle of water you sell you donate one
we can save many African families.*
